

Democratic Republic of Congo 35kV Busbar Company

Overview

In the year 2005, SOMIKA Group and STEELMAKERS came together to form a company that would gear the economics of infrastructure development in D. Congo, and thus the SOTRAFER was formed. The pioneering spirit in both companies lives on today. GACLAY is embracing a modern vision with a bold ambition: to establish ourselves as the leading electrical services company in the Greater Katanga region, beginning in Kolwezi/Lualaba. We are committed to setting new standards and becoming a trusted reference in our field. With a population of over 120 million, the Democratic Republic of the Congo is the nineteenth. Because Afrikta helps all sizes of businesses including small, medium, and large corporates based in DRC Congo. Such as.
