

Gulf Region PoE Switch 200G

Overview

The DIS-200G-12PS Layer 2 Industrial Managed Switch is equipped with 8 PoE-capable 10/100/1000BASE-T ports, 2 10/100/1000BASE-T ports, and 2 SFP ports. Enhance your surveillance environment with the DSS-200G, a smart and easily installed device that delivers greater control and flexibility. This switch features a robust design making it ideal for deployment in industrial and outdoor surveillance settings, capable of withstanding the. Gulf Horizon Telecom's PoE switches fix this by sending both power and data through one Ethernet cable, making installs simple and cheap. Ideal for surveillance in Riyadh malls, wireless access in Jeddah offices, or VoIP calls in Dammam factories, these switches cut extra wiring and give more setup. DIS-200G-12PS Industrial Gigabit Smart Managed PoE Switch Featuring management interfaces, including an industry-standard CLI, and Web-based UI, the DIS-200G Serie is easy to manage and provides the controls to help protect and shape your network. The high electromagnetic compatibility (EMC) protects the DIS-200G Series from unwanted effects when operating in environments with strong electromagnetic. Stock information temporarily unavailable.
