

## Indoor cable distribution box installation price

### Overview

Junction box installation costs \$100 to \$300 for parts and labor, depending on the installation location, accessibility, and the electrical box size, material, and indoor or outdoor rating. The distribution box cost encompasses not only the initial purchase. Junction box costs range from low-price indoor models (\$10-\$60) to weatherproof units (\$70-\$450), with installation averaging \$100-\$300 depending on location and materials. If you're planning any electrical work, one of the small but important items on your list will be the junction box. Plastic junction boxes for indoor wiring cost 50% to 80% less than metal boxes but aren't as durable. Cost. While distribution box prices depend heavily on capacity and features, we've tracked emerging patterns. Expect these price points when budgeting for 2025 installations: Quality power cables make or break your electrical system. Modern copper-aluminum hybrids offer conductivity at lower cost while. When budgeting for electrical boxes, most buyers look at upfront cost ranges based on box type, material, and installation complexity.
