

## Mauritius 12-core bundled pigtail

### Overview

The 12 Cores ST/UPC Bundle Fan Out Fiber Optic Pigtail from FiberMania is designed to simplify network deployment and maintenance in high-density fiber installations. These pigtails are rich in colors: 12 colors are available for easy differentiation and identification of fiber optic cable lines. Safe and reliable: Using high-quality materials and structural design to ensure the durability and safety of the product. 3 dB) and high return loss ( $\geq 50$  dB) for reliable. As enterprise data centers face exploding bandwidth demands and tighter space constraints, the SC/UPC 12-Core Multimode Fiber Pigtail emerges as a scalable, cost-effective solution. This pigtail features 12 individual single-mode fibers, each terminated with ST/UPC connectors and bundled in a fan-out. Introducing our 12-Core Bundled Pigtail Sc/FC/St/LC Single Multimode Bundled 10 Gigabit Can Be Customized. •Telcom and datacom application.
