

PDU distribution box manufacturing company

Overview

Among the leading PDU manufacturers shaping the industry are Ningbo YOSUN, APC by Schneider Electric, Vertiv, Eaton, and Raritan. A power distribution unit (PDUs) is a device for controlling electrical power within a data centre. Likewise, the PDU in data centre management can help. We are an innovative UK manufacturer of Power Distribution Units, based in Stanmore, London. At Integra we can manufacture Custom PDUs and Bespoke PDUs designed to your exact requirement that complement our extensive standard PDU range. These devices are essential for data centers, server rooms, and industrial settings, where uninterrupted power is vital for operations. The systems help provide advanced predictive capabilities, improve reliability, optimize energy usage, and.
