

Pigtail looping

Overview

Loop pigtail braids are a playful twist on traditional hanging braided pigtails. To get this look, first part hair vertically into two equal sections. Get inspired and try out new things. If you have had enough of the usual braids, try to give them a funkier and more freaking look with some loops on the sides. Also, braided pigtails give you so many options: Dutch, French, fishtail. To learn all about the sublime options that one can mimic through the help of pigtail braids, remember to skim through the series of entries below! If you're seeking a toned down version of pigtail braids for your jet black hair, don't forget to take notes from this entry! These pigtail braids. Below, we reached out to Sarah Potempa, celebrity hairstylist and founder of The Beachwaver Co.
