

## Where is the USB port on the A6LC8

### Overview

The front USB port of the Audi A6 is installed inside the CD box of the glove compartment on the right side of the dashboard. There is a cover at the USB port, which can be gently opened to reveal the USB port. Our detailed guide helps you easily locate front and rear USB connections for seamless connectivity. more Sound or visuals were significantly edited or digitally generated. This happened (I think) in late 2019. However from waht I have read this switch also saw the removal of the seperate SIM card slot and the SD-Card slot (at least hear in Europe) so it is.
